aydınlatma

## Hakkımızda / About us

Aydınlatma seçimi, yaşam kalitesiyle doğrudan ilişkilidir. Doğru aydınlatma seçimi ile iş yerinde motivasyon, üretkenlik ve güvenli çalışma ortamı, ev ortamında huzur ve konfor, işletmelerde ise misafirlerinizi etkileyecek prestijli bir hava oluşturmak mümkün. Armada Aydınlatma olarak bugün müşterilerimizin ihtiyaçlarını belirleyerek en kapsamlı hizmeti sunmak ve doğru ürünü tedarik etmek konusunda günümüz teknolojilerinden faydalanıyor, yeni nesil tavrımız ve inovatif bakış açımızla fark yaratıyoruz. Ayrıca enerji tüketimini azaltan uzun ömürlü ürün çözümlerle ekonomik ve doğa dostu alternatifler sunuyoruz. Bu düşünceden hareketle ihtiyacınıza yönelik aydınlatma ürünleri için ön çalışmaları yürütüyor ve size en uygun çözümü tasarlıyoruz. Mağaza, hastane, okul, fabrika, otel, konut başta olmak üzere tüm iç ve dış mekanların teknik aydınlatma çözümlerini içeren özel tasarımlarımızı ve geniş ürün yelpazemizi geniş kitlelere ulaştırıyoruz.

*Lighting selection is a direct solution to the quality of life. With the right lighting selection, it is possible to create motivation, productivity and a safe working environment at work, peace and comfort at home, and a prestigious atmosphere that keeps your guests alive in businesses. As Armada Lighting, we benefit from today's technologies to determine the needs of our customers, provide the most comprehensive service and supply the right product, and make a difference with our new generation attitude and innovative perspective. We also offer economical and nature-friendly alternatives with long-lasting product solutions that reduce energy consumption. Based on this idea, we carry out preliminary studies for lighting products for your needs and design the most suitable solution for you. We deliver our special designs and wide product range, including technical lighting solutions for all interior and exterior spaces such as; hospitals, schools, factories, hotels, and residences to large audiences.*
